

WHAT IS OUR MISSION?

Love Vacaville gives compassionately by providing needed resources to families in our community

WHAT IS OUR STORY?

Love Vacaville is a dream birthed in the hearts of Scott and Heather Tuttle. It began from a place of brokenness: brokenness born out of loss and pain, pain of infertility and pain of miscarriage.

It is in response to the belief that out of our brokenness, we can help bring healing and hope to others in our community by meeting practical and necessary needs

In the soil of this brokenness was birthed a desire to help others; to Love Vacaville.

WHAT IS LOVE VACAVILLE?

Love Vacaville is the compassion arm of Sanctuary Church. We meet needs of families in our community through our Compassion Closet and Food Pantry. We support ministries that help families impacted by domestic violence, kids who are in foster care, families who become foster parents, families impacted by infertility and miscarriage, families facing a crisis and need help with basic needs, and women who are pregnant and in need of resources.

Our mission is accomplished through financial support and donations.

WHAT DOES YOUR GIVING DO?

Your generosity provides gift cards for families needing food and clothing, hygiene products, school supplies, pillows, blankets, baby bottles, baby clothes, diapers and other items resources needed for families.

Please consider giving today to help support the mission of Love Vacaville.

Solano County Statistics

There are approximately

450

children in the Foster Care system in Solano County.

- Approximately **60 children** are sent out of county each year, often due to lack of foster homes.
- On average, **20 teens** per year age out of the foster care system.
- There are **208 churches** in Solano County.

*If even a fraction of these churches raise up **one foster family** with a team of support, there will be more than enough loving homes to meet the need.*

Long Term Impact

- 46% of foster youth **fail to complete high school.**
- **1-in-4** will be involved in the justice system within two years of aging out.
- 33% of youth who age out of foster care **experience homelessness.**
- Rates of Post Traumatic Stress Disorder among foster care alumni are up to **twice the rate of US war veterans** who have experienced combat.

Did You Know?

Although African Americans make up 13.6% of the child population, **40% of children in foster care in Solano County are Black.**

Approximately 16% of Solano County youth who reunify **reenter foster care in less than 12 months.**
